

SYMPOSIUM: Restoration for a Sustainable New York-New Jersey Harbor/Estuary

Organized by **Christopher Zeppie**, Port Authority of NY and NJ

Symposium on the Economic Value of a Complex Urban Estuary

Date and Time: Tuesday, 6:30 – 8:30 PM, **New York Academy of Sciences**, 7 World Trade Center, 250 Greenwich Street, 40th floor

In this symposium speakers will explore the ecological functioning of the lower Hudson-Raritan Estuary, with a particular focus on Jamaica Bay. The problem of monetary valuation of the ecological services of the system will be discussed by three speakers.

This is a ticketed evening event; seating is limited.
